About the University

The Eastern University, Sri Lanka is a public university in Vantharumoolai, Eastern Province, Sri Lanka. Batticaloa city, "Land of the singing fish", is the seat of the Eastern University, Sri Lanka. Batticaloa district is bordered on its East side by the Indian Ocean, and is an ideal place for sea lovers, endowed with sandy beaches and numerous fishing villages. The Faculty of Agriculture was the one established initially and offering valuable learning experiences to students and farming community to stimulate a richer and sustainable quality of life in the Eastern region, the

About the Symposium

The 2nd International Symposium on Agriculture (ISA-2019) is an esteemed event organized by the Faculty of Agriculture, Eastern University, Sri Lanka to share the research experiences with the global experts. It is the responsibility of the agricultural sector to ensure safe and nutritious food for all. To meet this world's necessities, food production systems need innovative solutions to produce more food with less inputs in an environmentally, economically and socially viable way. The symposium provides an opportunity to gain knowledge to meet the challenges in sustainable agriculture.

Symposium Theme

"Innovation and Invention on Sustainable Agriculture"
